

# SMART COOLING

WORLD CLASS SOLUTION

Adiabatic, evaporative pre - cooling  
system

We combine adiabatic, evaporative pre cooling and standart cooling technology.

**1. Water treatment**

**6. Control panel**

## General components

**2 Anti Scaling Unit**

**3. Hight pressure pump with UV block**

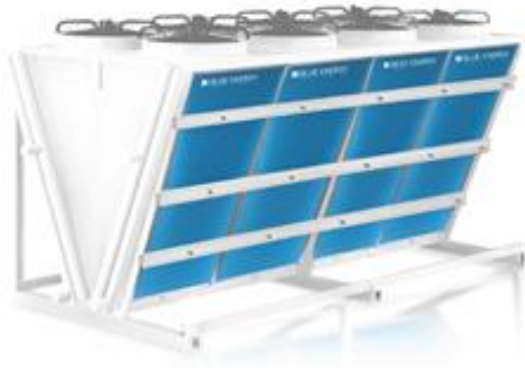

**4. Condenser protecting Membran**

**5. Hight pressure nozzle Panel**

# WORKS WITH ALL TYPES AIR COOLED CHILLERS

# ALL TYPES ROOFTOP SYSTEMS

## LATVIA, Riga

Manufacturing Facility

Project Manager
